# *With Appreciation*

## **Congratulations on earning your degree from Northwestern University!**

The Master of Arts in Counseling Program would like to express deep gratitude and endless appreciation to all who have made today possible for our graduates. Our esteemed and dedicated faculty, supervisors, preceptors, clinicians, clinical partners and alumni who have provided guidance and support to the students during their journey to this moment. A very special thank you to all the Family Institute, Northwestern and Counseling@NU staff who have provided support and guidance to our trainees and students. You have contributed to their success of making it to this day.

## **Land Acknowledgment**

To recognize the land is an expression of gratitude and appreciation to those whose territory we reside on—and a way of honoring the Indigenous people who have been living and working on the land from time immemorial. It is important to understand the long-standing history that has brought us to reside on the land and to seek to understand our place within that history.\* The Northwestern campus sits on the traditional homelands of the people of the Council of Three Fires—the Ojibwe, Potawatomi, and Odawa—as well as the Menominee, Ho-Chunk, and Miami tribes. It was also a site of trade, travel, gathering, and healing for more than a dozen other Native tribes; the state of Illinois is still home to over 100,000 tribal members. Consistent with the University's commitment to diversity and inclusion, Northwestern works toward building relationships with Native American communities through academic pursuits, partnerships, historical recognitions, community service, and enrollment efforts. \*Adapted from [www.lspirg.org/knowtheland](http://www.lspirg.org/knowtheland)

The Graduating Class of 2022 wishes to extend their appreciation, love and gratitude to all of those who made today possible.
