With Appreciation

Congratulations on earning your degree from Northwestern University! A virtual convocation ceremony was the furthest thing from our minds when we began the planning to honor and celebrate your special day. This final quarter of study and training has been nothing we could have ever imagined or planned for you, but you did it! A tremendous accomplishment even without the extraordinary circumstances, you have shown tenacity, strength, flexibility, and dedication to your field. This is an important milestone in your life and a time to celebrate all that you have accomplished. We look forward to celebrating you in person when it is safe to do so!

We are so proud of you!

The graduate programs would like to express deep gratitude and endless appreciation to all who have made today possible for our graduates. Our esteemed and dedicated, faculty, supervisors, preceptors, clinicians, clinical partners and alumni who have provided guidance and support to the students during their journey to this moment. A very special thank you to all the Family Institute and Counseling@NU support staff who have provided support and guidance to our trainees and students.

You have contributed to their success of making it to this day.

The Graduating Class of 2020 wishes to extend their appreciation, love and gratitude to all of those who made today possible.
