

**AGREEMENT FOR IN-PERSON SERVICES
CLIENT HEALTH PLEDGE**

Please check in with reception upon your arrival in Evanston, Northbrook, and Millennium Park (reception is located on the 10th floor)

This document contains important information about my decision to begin or resume in-person services given the health risks associated with COVID-19.

All clients who receive in person services must have this signed form on file.

- I attest that if I am 5 years or older, I have been vaccinated against COVID-19.
- I attest that I will follow health and safety guidelines posted in your facilities, including mask requirements.
- I attest that I will only keep my in-person appointment if I am symptom free. If I am not, I will contact my therapist or the Client Care Team at 847-733-4300 to switch to a teletherapy appointment.
- I attest that I will switch my appointment to teletherapy if I have tested positive for COVID-19 in the past five days and will only resume in person therapy if, after five days, I am fever-free for 24 hours without the use of medication and my symptoms are improving or never had symptoms.
- I attest that I will arrive to my appointment no earlier than 15 minutes before my appointment time.
- I attest that I will not bring other guests with me that are not active participants in therapy.

I understand that by coming to the office, I am assuming the risk of exposure to the coronavirus (or other public health risk). This risk may increase if I travel by public transportation, cab, or ridesharing service.

If I decide at any time that I would feel safer staying with, or returning to, telehealth services, I will discuss this with my clinician or contact the Client Care Team at 847-733-4300.
